Class Charter

Our Class Charter

Primary 6a have worked hard to create a class charter that represents their values in line with the UNCRC. This charter is an agreement of the expected behaviours in the classroom.

- Everyone is welcome and included in our classroom (Articles 23, 2)
- Everyone is welcome to have a say in matters affecting them (Article 13)
 - We are respectful listeners
- We respect our learning environment and look after our resources
